

FTC Cares

HELP US HELP A DISTRICT FAMILY!

Many of our district families struggle to get by. In 2013, we started a program to provide holiday meals for some of the most needy families in the district, as identified by district staff, and are continuing that program this year as well. This program has funded complete holiday meals for 33 district families since inception.

Moving forward, we are adding to the program by allowing district staff to identify families who could use assistance with basic care needs, school supplies and families that need temporary assistance in emergencies.

This program is entirely donation-driven, so the number of families helped will depend on the donations received.

How can you help?

Donate what you can.

One family meal costs \$70, but any amount is helpful.

Please send your check made out to FTC to school with your child in an envelope marked "FTC Cares" by Monday, Nov. 9th.

**THROUGH YOUR GENEROSITY, WE CAN HELP
FAMILIES IN NEED THROUGHOUT THE YEAR!**
